A MESSAGE FROM ...

Jeff Laurie

*Group Executive
Educational Assessment Australia (EAA)*

EAA is an education group of UNSW Global Pty Limited, a not-for-profit provider of education, training and consulting services and a wholly owned enterprise of the University of New South Wales

On behalf of Educational Assessment Australia and the University of New South Wales I would like to welcome each of the prize winners and their guests to this Presentation Ceremony. We look forward to sharing in your success in reaching the highest levels of academic excellence in the 2009 International Competitions and Assessments for Schools (ICAS) in Indonesia.

ICAS is conducted in over twenty countries around the world, and today we are acknowledging and rewarding the outstanding achievement of students who have attained the highest standards in ICAS in Indonesia. All of today's medal winners represent the elite levels of academic excellence and for this they should be truly congratulated.

We hope this Presentation Ceremony leaves each student with a tremendous sense of pride and achievement and one that motivates them to continue to strive for further success in the years ahead. As Group Executive of Educational Assessment Australia and on behalf of the University of New South Wales I would like to acknowledge such a special gathering of academic excellence.

Budiastuti Anhar Tusin

Executive Director UniSadhuGuna

On behalf of UniSadhuGuna I would like to congratulate each of the medal winners of ICAS 2009, their parents and the schools. Please receive my gratitude in your success in reaching the highest levels of academic excellence in the 2009 International Competitions and Assessments for Schools (ICAS).

UniSadhuGuna has along and proud association with University of New South Wales since 1993. We have aim and commitments to participate in the national development of this nation offering quality education and training programs for Indonesian students preparing them as future leaders of the country.

Based on our aims and visions, has conducted ICAS for schools and students in Indonesia since 2005. ICAS is an international assessment programs that offers accurate and quality benchmarks and measurement needed by Indonesian schools and students to compete with schools and students in the worlds.

The increasing numbers of ICAS participants from 833 students in 2005 to 21.500 students in 2009 proved that the spirit on the improving international quality academic is increasing. These reflect that these programs were better supported by Schools, students and parent years to years. Therefore, we would like to thank for all effort and time you have contributed to allow ICAS to run smoothly in Indonesia

Again, Congratulations to all Medal Winners.
